*The Gospel narrative and the text of Isaiah together shape our traditional crib scene and kings, camels and lavish gifts.*

*But the feast celebrates revelation itself. The Wise Men's search, guided by the light of reason, takes them only so far. Only an encounter with Scripture Divine revelation—can perfect it., and lead them to find and worship the divine child. Our human capacities need to be enlightened by divine revelation to lead us to God and to Christ, the light which enlightens all life.*
