**aster is the Church's great Sunday.**

Having taken the 40 days of Lent to prepare for it, the Church now embarks in celebrating the resurrection of Christ Jesus throughout the 50 days of Easter. The joy of the resurrection is intense on Easter night, but it is a joy that pervades the whole 7 weeks of the Easter season. Each day is an Easter day, each Sunday is a Sunday OF Easter—not after Easter. It is **THE** time to celebrate the new life which is given to the Church through the power of Christ's resurrection. That new life is seen in the newly baptised. It is also reflected with the in the reception of the Sacraments. We have the first communions of about ninety of our children which will be celebrated during Eastertide in the first weekends of the month of May
